

Shakespeare Marina

Terms and Conditions

Mission Statement

Our aim at Shakespeare Marina is to provide an enjoyable and environmentally friendly marina where people can come and go or be equally happy just pottering about on their boats watching the world go by.

We would therefore like to draw your attention to certain conditions applicable to all customers and boats at Shakespeare Marina. We hope that they facilitate the safety of all our Customers, their boats and equipment whilst they stay with us and enable their quiet enjoyment of the marina.

Mooring Terms and Conditions

- All visitors must report to the marina office on arrival.
- All boats must have a valid Boat Safety Certificate and adequate insurance, details of which are to be provided to the marina managers. Customers details including home addresses and telephone numbers are to be supplied on the mooring application form.
- Our moorings are non-residential. A valid home address should be provided (unless a continuous cruiser) and the marina will not accept any post or packages for customers.
- All mooring fees are to be paid in advance according to the mooring rate tariff.
- A non-refundable deposit of £250 is payable to reserve a mooring. Payment of a deposit and the taking up of a mooring place means acceptance of these Terms and Conditions. From arrival there will be a three-month probationary period.
- A three-month notice is to be given by boat owners who wish to leave the marina. No refunds will be given for moorings or unused electricity.
- All mooring payments are to be paid by standing order using your berth number and surname as reference. This payment is to be made in advance on the first day of each year or quarter. Late payments over 21 days will attract a 5% surcharge. Invoices will be supplied on request.
- Geomac Limited reserves the right to change the mooring rate or introduce new regulations at any time. Any new regulations and amendments will become effective when they are displayed on the notice board.
- Commercial vehicles, large vans, trailers, caravans and motor homes are not allowed within the marina unless carrying out work approved by the management.

- All boats using the mains electricity supply must be fitted with an earth breaker and their supply lead should be in good condition. Electricity cables must be connected so that they are not a trip hazard to other customers and the marina reserves the right to move or remove any cables which present a hazard.
- Please be aware during the winter period, the main water supply will be turned off when the temperature is in minus figures. Water can be supplied from the quayside.
